NIVELUL INSTITUTULUI NATIONAL DE CERCETARE-DEZVOLTARE ÎN FIZICA  
SI INGINERIE NUCLEARA „HORIA HULUBEI”**

**17.06.2022**

Stimati colegi,

Va multumim pentru participarea la vot.

Gasiti anexat/publicat rezultatul votului din turul V al alegerilor privind reprezentantii salariatilor.

Deoarece doar un singur candidat a indeplinit norma de reprezentativitate (50% + 1 voturi din numarul de salariati) procedura de desemnare a reprezentantilor salariatilor la nivelul IFIN-HH se declara esuata.

Procesul de votare a reprezentantilor salariatilor se va relua la o data si in conformitate cu un regulament revizuit care va vor fi aduse la cunostinta in cel mai scurt timp.

**ANOUNCEMENT REGARDING THE ELECTION OF THE EMPLOYEES'  
REPRESENTATIVES IN "HORIA HULUBEI" NATIONAL INSTITUTE FOR  
RESEARCH AND DEVELOPMENT IN PHYSICS AND NUCLEAR ENGINEERING**

**17.06.2022**

Dear colleagues,

We thank you for participating in the elections.

Please find attached/published the result for the fifth round of elections for the employees' representatives.

Since only one of the candidates has reached the representativeness level (50% + 1 of the votes out of the number of employees) the procedure for designating the employees' representatives in IFIN-HH has failed.

The process of voting the employees' representatives will be resumed at a later date and in accordance with the revised regulation, both of which will be brought to your attention as soon as possible.
